

Stiga VoltAge

The new age of lawn mowing begins right now

Introducing Stiga VoltAge – changing forever the way you look at battery-powered mowers. Featuring a unique, longlasting 80V battery, these mowers are built from the ground up to provide the ultimate lawn mowing experience.

That means optimum cutting performance and impressive collecting capacity or Multiclip technology – in a mower that's both environmentally-friendly and amazingly easy to use. It's what we call a new age of lawn mowing. And it begins right now.

Suitable for:

Stiga Voltage is perfect for anyone wanting a powerful, yet easy to use lawn mower for a medium-sized garden.
